## District Health Department No. 4 COVID 19 Update

District Health Department No. 4 has developed a toolkit for local businesses and organizations who are considered essential services. The toolkit, found on our website, provides suggested guidelines for employers, a flowchart for potential COVID-19 exposure, and cleaning guidelines for facilities after a suspected or confirmed COVID-19 exposure (though many guidelines are relevant before any known exposure). These guidelines are available on [www.dhd4.org](http://www.dhd4.org).

Health Officer, Denise Bryan shared “We recognize that employees performing essential services are leaving their homes each day to serve our community and it is our hope to assist employers with the tools and information they need to keep their employees safe. We are grateful for their brave and dedicated work.”
