The pandemic of COVID 19 indeed has affected all four counties of District Health Department No. 4. COVID 19 presents a serious threat to public health, along with an increasing stress on healthcare resources. It is the mission of our health department to ensure the health and safety of all the public and especially realize the vulnerability of the critical infrastructure workers. As the threat increases from COVID 19, DHD4 Health Officer, Denise Bryan, and Medical Director, Dr. Meyerson, feel it is necessary to take additional steps to protect the health and safety of all.

Additional resources to assist businesses in implementing these protective measures can be found at www.dhd4.org Coronavirus Page or on the Center for Disease Control and Prevention's Guidelines and Resources for Businesses. DHD4 will be taking questions on this Emergency Order Monday – Friday from 8:00 am -4:00 pm, please call: 1-800-221-0294
