Below is a breakdown of the requirements of the Governor’s latest Executive Orders, which establishes safeguards for employees leaving their residence to work and pursuant to Executive Directive 2020-6 which establishes the Office of Worker Safety.

**THE EO REQUIRES BUSINESSES TO MINIMALLY DO THE FOLLOWING:**

- **Develop** a COVID-19 preparedness and response plan consistent with OSHA guidelines - a fillable form can be found at [www.dhd4.org/covid19/business](http://www.dhd4.org/covid19/business).
- **Designate** a work place supervisor to implement, monitor and report on the plan developed as a result of the above requirement.
- **Provide** COVID-19 training to employees addressing infection control practices, proper use of personal protective equipment (PPE), steps to notify the employer of a positive test or symptoms, and how to report unsafe work conditions.
- **Conduct** daily entry self-screening of employees including a questionnaire covering symptoms or confirmed exposure to positive people - employee screening forms can be found at [www.dhd4.org/covid19/business](http://www.dhd4.org/covid19/business).
- **Maintain** a distance of 6 feet between all people at the business to the maximum extent possible using ground markings, etc.
- **Provide** non-medical grade face masks to all employees.
- **Require** face coverings be worn when employees cannot consistently maintain 6 feet of distance from each other.
- **Increase** disinfection and cleaning of the business with special attention to shared objects and high-touch surfaces. Procedures can be found at [www.dhd4.org/covid19/business](http://www.dhd4.org/covid19/business).
- **Develop** protocols to be used for cleaning if there is a positive test at the location.
- **Make** cleaning supplies available to employees upon arrival at work and allow time for them to wash their hands or use hand sanitizer frequently.
- **Notify** the local health dept. and co-workers, contractors, or suppliers who may have come into contact with the person within 24 hours of having an employee test positive.
- **Follow** EO 2020-36 which prohibits any retaliating against employees who stay home or leave work when they are at particular risk of infecting others.
- **Establish** a response plan to send employees home and temporary closure when dealing with a confirmed infection.
- **Restrict** business related travel to essential travel only.
- **Encourage** employees to use PPE and hand sanitizer on public transportation.
- **Promote** remote work to the fullest extent possible.
- **Adopt** additional reasonable infection control measures in light of the work performed at the location and the infection rate in the community.
- **Maintain** records of employee trainings, daily screenings and employees identified with COVID-19 and what steps were taken.
Gymnasiums, fitness centers, recreation centers, sports facilities, exercise facilities, exercise studios, and like facilities MUST:

- Maintain accurate records, including date and time of event, name of attendee(s), and contact information, to aid with contact tracing.
- Post sign(s) at outside entrances informing individuals not to enter if they are or have recently been sick.
- Configure, to the extent feasible, workout stations or implement protocols to enable ten feet of distance between individuals during exercise sessions (or six feet of distance between barriers).
- Reduce class sizes, as necessary, to enable at least six feet of separation between individuals.
- Provide equipment cleaning products throughout the gym or exercise facility for use on equipment.
- Make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available.
- Regularly disinfect exercise equipment, including immediately after use. If patrons are expected to disinfect, post signs encouraging patrons to disinfect equipment.
- Ensure that ventilation systems operate properly.
- Increase introduction and circulation of outdoor air as much as possible by opening windows and doors, using fans or other methods.
- Regularly clean and disinfect public areas, locker rooms and restrooms.
- Close steam rooms and saunas.

ED 2020-6 creates the Office of Worker Safety and allows someone to be appointed Director of COVID-19 Workplace Safety. The latest EO establishes the workforce safety rules for all businesses across the state as the process of in-person work gradually returns. The Director of Workplace safety (and all agencies required to monitor compliance with workplace safety) will bring enforcement actions against any employer who violates these orders.
