Below is a breakdown of the requirements of the Governor’s latest Executive Orders, which establishes safeguards for employees leaving their residence to work and pursuant to Executive Directive 2020-6 which establishes the Office of Worker Safety.

THE EO REQUIRES BUSINESSES TO MINIMALLY DO THE FOLLOWING:

- Develop a COVID-19 preparedness and response plan consistent with OSHA guidelines - a fillable form can be found at [www.dhd4.org/covid19/business](http://www.dhd4.org/covid19/business).
- Designate a workplace supervisor to implement, monitor and report on the plan developed as a result of the above requirement.
- Provide COVID-19 training to employees addressing infection control practices, proper use of personal protective equipment (PPE), steps to notify the employer of a positive test or symptoms, and how to report unsafe work conditions.
- Conduct daily entry self-screening of employees including a questionnaire covering symptoms or confirmed exposure to positive people - employee screening forms can be found at [www.dhd4.org/covid19/business](http://www.dhd4.org/covid19/business).
- Maintain a distance of 6 feet between all people at the business to the maximum extent possible using ground markings, etc.
- Provide non-medical grade face masks to all employees.
- Require face coverings be worn when employees cannot consistently maintain 6 feet of distance from each other.
- Increase disinfection and cleaning of the business with special attention to shared objects and high-touch surfaces. Procedures can be found at [www.dhd4.org/covid19/business](http://www.dhd4.org/covid19/business).
- Develop protocols to be used for cleaning if there is a positive test at the location
- Make cleaning supplies available to employees upon arrival at work and allow time for them to wash their hands or use hand sanitizer frequently
- Notify the local health dept. and co-workers, contractors, or suppliers who may have come into contact with the person within 24 hours of having an employee test positive,
- Follow EO 2020-36 which prohibits any retaliating against employees who stay home or leave work when they are at particular risk of infecting others
- Establish a response plan to send employees home and temporary closure when dealing with a confirmed infection
- Restrict business related travel to essential travel only
- Encourage employees to use PPE and hand sanitizer on public transportation
- Promote remote work to the fullest extent possible
- Adopt additional reasonable infection control measures in light of the work performed at the location and the infection rate in the community.
- Maintain records of employee trainings, daily screenings and employees identified with COVID-19 and what steps were taken.
BUSINESSES WHOSE WORK IS PRIMARILY OUTDOORS MUST:

☐ Prohibit gatherings where people cannot maintain 6 feet of distance from one another.
☐ Limit in-person interaction with clients or patrons to the maximum extent possible and prohibit any interaction where 6 feet of distance cannot be maintained.
☐ Provide PPE for employees and require its use.
☐ Adopt protocols to limit the sharing of tools and equipment to the maximum extent possible and frequently clean tools and equipment.

ED 2020-6 creates the Office of Worker Safety and allows someone to be appointed Director of COVID-19 Workplace Safety. The latest EO establishes the workforce safety rules for all businesses across the state as the process of in-person work gradually returns. The Director of Workplace safety (and all agencies required to monitor compliance with workplace safety) will bring enforcement actions against any employer who violates these orders.
