Michigan Department of Health and Human Services Reports First Death from COVID-19 in Presque Isle County

With great sadness, Michigan Department of Health and Human Services reports that Presque Isle County has experienced their first death due to COVID-19. The individual was an adult male.

“We wish to express our heartfelt sympathies to the family and friends who have lost their loved one,” said Denise Bryan, Health Officer at DHD4. “This is a tragic reminder that COVID-19 continues to pose a serious threat to our community members and we must all continue to follow all executive orders to help bring this virus to a halt.”

DHD4 is grateful to everyone in the community who continues to wear their masks, social distance, quarantine and isolate when recommended to protect the health of the community. DHD4 reminds everyone that in this difficult time it is critical that we protect each other, support each other, and work together to slow the spread of this virus.
