District Health Department No. 4 Reports First Death from COVID-19 in Montmorency County

With great sadness, District Health Department No. 4 reports that Montmorency County has experienced the first death due to COVID-19. The individual was an elderly male.

“We wish to express our heartfelt sympathies to the family and friends who have lost their loved one,” said Denise Bryan, Health Officer at DHD4. “This is a tragic reminder that COVID-19 continues to pose a serious threat to our community members.”

DHD4 is grateful to everyone in the community who continues to wear their masks, follow social distancing, quarantine, and isolation guidelines to protect the health of the community. In this difficult time, it is critical that we protect each other, support each other, and work together to slow the spread of this virus. We urge residents to continue to follow the things we know work. Wear a mask, stay 6 feet away from others, limit your gatherings and wash hands regularly.

Stay current on coronavirus information at www.cdc.gov/coronavirus; www.michigan.gov/coronavirus or www.dhd4.org/covid19 and on DHD4 Facebook page
