

# District Health Department No. 4

For Immediate Release  
Date: January 11, 2021

## DHD4 COVID-19 Vaccination Clinics Update

The Michigan Department of Health and Human Services (MDHHS) updated their vaccine priority guidance and has authorized local health departments to begin vaccinating the following groups starting Monday, January 11:

- People age 65 years or older
- Frontline, essential workers with frequent or ongoing exposure as a part of their work. This includes some essential workers designated in 1B. First responders, police officers, jail and prison staff, pre-K-12 teachers and childcare providers are included.

To schedule a COVID-19 vaccination appointment if you live or work in Alpena, Cheboygan, Montmorency or Presque Isle counties call 989-356-4507 and choose option #1. At this time there is not an online appointment registration option. Please be patient as we handle hundreds of appointment calls. Please note: We are not taking or responding to vaccination appointment requests by voice mail or emails.

Clinics dates are:

### **An appointment is required**

January 14th, from 1 PM – 7 PM at the DHD4 Alpena Office

January 19th, from 1 PM – 7 PM at the Cheboygan Knights of Columbus Hall

January 20th, from 1 PM – 7 PM at the Eagles Club, Atlanta, MI

January 22nd, from 1 PM – 7 PM in Presque Isle Co. Millersburg Elementary School

January 23rd, from 9 AM – 4 PM at Alpena Community College

Please note: In Northeast Michigan, this represents thousands of eligible individuals. Vaccine availability still depends on both vaccine supply and staffing capacity. DHD4 thanks you for your patience as we plan through all of the complexities of changing guidance and limited vaccine allocations. We cannot vaccinate everyone eligible immediately.

DHD4 will continue to notify the public of additional clinic dates and vaccine availability via press release, social media, and our website on [www.dhd4.org/covid19vaccine](http://www.dhd4.org/covid19vaccine).

Michigan residents seeking more information about the COVID-19 vaccine can visit [Michigan.gov/COVIDvaccine](http://Michigan.gov/COVIDvaccine).
