## COVID19 Vaccine Shipment Reduced-Clinics Cancelled

DHD4 has just been notified that next week's COVID19 vaccine shipment has been reduced and is not enough to fulfill our currently scheduled clinics. January 26<sup>th</sup>'s clinic in Cheboygan at the Knights of Columbus Hall is still taking place. The following COVID 19 vaccination clinics and appointments are cancelled:

- January 27 in Atlanta, Montmorency County
- January 28 in Alpena, Alpena County
- January 29 in Millersburg, Presque Isle County

Anyone scheduled in the cancelled clinics will not lose their spot. A DHD4 representative will contact you and reschedule into the next available appointment in your county when more vaccine supplies are received. Please do not call and try to reschedule, a health department representative will call you.

DHD4 understands the frustration of our residents wanting COVID19 vaccinations and continues to work hard in getting vaccine supplies to the area.
