November 20, December 4, 11, 18

Alpena County Fair Grounds  
Tuesday, November 23, 1p-7p

With the substantial rise in COVID-19 and flu cases, Michigan Department of Health and Human Services has issued a face mask advisory for the holiday season. Based on the current surge in cases of flu and COVID-19, MDHHS has created guidance to keep families and their loved ones safe, and prevent the spread of respiratory illnesses during the holidays.

This latest Public Health Advisory recommends everyone over the age of 2 years should wear a face mask at indoor gatherings regardless of their vaccination status. In addition, establishments should implement a policy to ensure that all persons entering or seeking services, including employees, wear a mask. This face mask advisory will remain effect until further notice.

NEW- DHD4 has recently launched a Quarantine and Isolation Calculator which allows an individual to select the date that they tested positive, developed symptoms or were identified as a close contact and generates the appropriate release form isolation or quarantine date. The calculator will allow residents to access quarantine and isolation guidelines easily and quickly. It can be found at <https://www.dhd4.org/quarantine-and-isolation-calculators>
